

## Colour pallet

Darker blueish white for headings (**#70a0b4**), lighter for paragraph writing (**#def2ff**)

Background of main divider (**#0b1821**)

All bluish cool tones, not a lot of saturation

## Typography

- Faculty Glyphic for large text at top
- Gill Sans for smaller headings (h2, h3)
- Lato for paragraph writing

## UI Design

- Swiper gallery for images
- Side banners with dark divider in the middle to isolate text from interesting background
- Hero banner, text scales slightly bigger when hovered over for fun
- Navigation bar (even if it doesn't work)
- Animated review section
